Julyda is a Minneapolis-based pop-rock band featuring Julida Alter on voice and cello, and her husband, Sean Alter, on guitar, bass, and percussion. Layered guitar intertwined with lush, cello lines support the intricate and honest vocals. Julyda is a side project of the duo's bigger six-member group, The Blacksmith's Daughters. Julyda's newest release, Do You Hear Me, is for the dreamer in all of us. The music reflects on love, disappointment, the monotony of life, and also the adventure that can be found within.
